INTERACTION

Step 2: Group common values

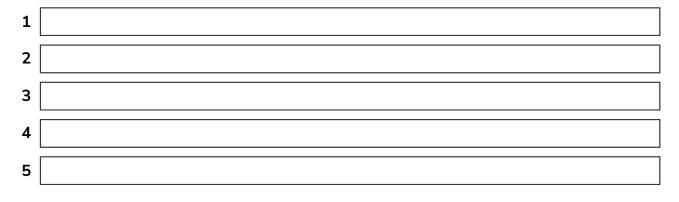

List your chosen values from the last activity and organise them into similar categories below.

Similar Values

Step 3: Clarify your top 5 values

List your top 5 most important values below.

INTERACTION

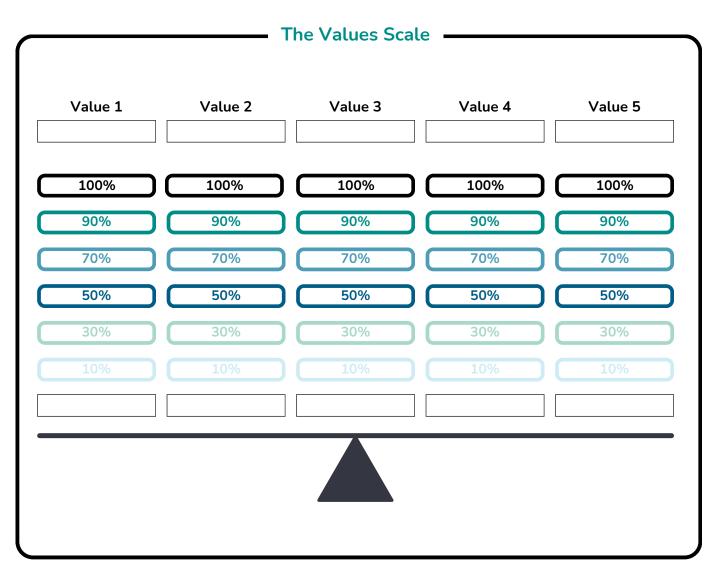

INTERACTION

Step 4: How often are you expressing your values?

Add your **five key values** from step 3 to the Values Scale below. How often are you expressing these values on most days? Select the percentage of time for each value. For example, "Gratitude 80%." Note: You can enter a custom percentage in the bottom box if required.

<u>Key</u>

90% = very often, 70% = quite often, 50% = sometimes, 30% = rarely, 10% = very rarely
